1 Canada Day

Teacher Curriculum And Planning Days are paid days for curriculum and planning. Teachers may be required to attend online divisional events related to curriculum. They will be partial day meetings that can be joined offsite if you have internet access. Staff who do not have these meetings scheduled shall self-direct their planning. Teacher Self Directed Classroom Set Up / Year End Duties are paid days for teachers to prepare their classrooms and to complete year-end responsibilities. Teachers will not be required to be at school on these days, but the expectation is that all responsibilities are completed.
