Classroom Representative

With so many families at our school, it's a huge job to keep everyone informed about the fun and amazing things happening in our Parent Council. Communication is key and that is why each class needs a Classroom Representative.

A Classroom Representative is a volunteer whose role is to share information from Parent Council to the rest of the families in the class. This way everyone knows what is happening outside of their child's classroom throughout the school. Things like events, volunteer opportunities and special announcements; things you don't want to miss out on!

Being a Classroom Representative is easy and involves only a few hours a month, most of which is sending emails. Classroom Representatives are encouraged to join Parent Council meetings, which happen once per month, as well as provide any feedback from your class. However, if you are unable to attend, the Parent Council Volunteer Coordinator will make sure you have any information needed to be shared. Did we mention free babysitting, coffee, treats and door prizes at our council meetings?

It's super easy, lots of fun, a great way to connect with other families, your teacher and of course, to contribute to your school. Let your child's teacher know today that you would like to be the Classroom Representative!

All Classroom Representatives will be contacted by the Parent Council Volunteer Coordinator soon to provide additional information, including a sample email of the type of communication you might be sending each month and details of how best to communicate to your child's class.

Any questions please contact us at gss-school-council@redeemer.ab.ca

Thank you for your support!
